For more information, please visit our website or email us at srosenthal@broomstreet.com.

- ASAP is built for high-volume shipping. One shipping station is able to ship 5 to 10 packages/boxes per minute.
- ASAP works with UPS and FedEx carriers out of the box. Additional carriers/shipping companies included.
- ASAP can work with multiple accounts and 3rd party shipping.
- ASAP comes with many reports and inquiries for management and operations analysis.
- ASAP has mobile view options and used, among other things, for monitoring and inquiries.
- ASAP can be modified to reflect the design of the company.
- ASAP can be enhanced to meet your business requirements.
