

BROOM STREET SOFTWARE

“Sweeping Away The Competition...”

“Warranty Registration” - solution for QAD®

- Allow customers or distributors to register their serialized unit
- Updates installed base in QAD
- Creates end users in QAD
- Fully integrated with the QAD SSM Module
- Compatible with all versions of QAD
- Cloud hosted or On-Premise architecture
- Browser based UI for all mobile devices and desktops

The screenshot shows the Broom Street Software Warranty Registration interface. It features the company logo and name at the top. The form includes several input fields for registration details, marked with an asterisk to indicate mandatory fields. A 'Gated Property' dropdown is set to 'NO'. A date field is set to '(M/D/Y)'. A 'Placed into service documentation' dropdown is set to '--- Please Choose ---'. A verification code field contains 'mMCEf' and is marked '(CaSe SeNsItIvE)'. At the bottom, there are 'SUBMIT' and 'RESTART' buttons.
